

SVMVV SANGHA'S SRI JAGADGURU GANGADHAR MOORUSAVIRMATH ITI, ILKAL

Training Excellence & Industry Placement Cell

Website Copy: Placement & Apprenticeship Milestones

Welcome to the official web portal update for SVMVV Sangha's Sri Jagadguru Gangadhar Moorusavirmath ITI, Ilkal. As part of our continuous commitment to securing top-tier employment and vocational growth for our technical trainees, our Training & Placement Cell has successfully organized and concluded two high-impact campus recruitment drives with global automotive leaders.

Vision for Student Placements

By bringing industry giants directly to our campus in Ilkal, we bridge the gap between rural technical talent and corporate manufacturing systems, enabling day-one employability and sustainable economic independence for our graduates.

Summary of Conducted Campus Drives (Summer 2026)

Recruiting Partner	Drive Type	Date Conducted	Target Beneficiaries
Toyota Kirloskar Motors Pvt. Ltd.	Campus Recruitment Drive	May 22, 2026	Final Year ITI Technical Trainees
Honda Motorcycle & Scooter India Pvt. Ltd.	ITI Apprenticeship Campus Drive	June 11, 2026	ITI Qualified Trade Graduates

1. Toyota Kirloskar Motors Campus Drive

Conducted on **May 22, 2026**, this drive targeted core technical talent ready to step directly onto international manufacturing floors. Representatives from Toyota evaluated our students on specialized trade knowledge, precise mechanical aptitude, and workshop safety standards. The drive provided our final year trainees a direct launchpad into corporate careers with advanced industrial exposure.

2. Honda Motorcycle & Scooter India Apprenticeship Drive

Organized on **June 11, 2026**, this drive focused specifically on securing official national-level apprenticeship programs with Honda. An apprenticeship acts as a vital bridge toward long-term corporate security, exposing students to rigorous automotive assembly, high-precision engineering protocols, and lean assembly-line methodologies.

Key Institutional Highlights

- **Rural-to-Corporate Alignment:** Eliminates physical and financial barriers by bringing multinational human resource panels straight to Ilkal.
- **Verified Talent Matching:** The college placement cell ensures recruiters meet pre-vetted candidates with validated technical profiles and disciplines.
- **Skill Gap Minimization:** Interaction with corporate HR panels provides our faculty with real-time feedback to tune future practical lab modules.
